# Lane/5000

Create new retail checkout experiences with a world of Business Apps

The most advanced designed-for-retail terminal, Lane/5000 combines payment acceptance and third-party apps to reinforce consumer engagement.

# **Highest security**

The Lane/5000 is PCI-PTS 5.x certified. Its Telium TETRA OS uses the latest cryptographic schemes with future-proof key length. Additional anti-theft systems, such as Kensington locks, strengthen security.

#### All payment options

The Lane/5000 enables NFC couponing and wallet use cases, in addition to EMV Chip & PIN, Swipe & Sign and contactless.

# User-friendly and intuitive interface

Featuring enriched multimedia capabilities and a 3.5" color touch screen, Lane/5000 enhances interactivity with consumer during payment and business Apps operations.

#### **Designed for retailers**

Conceived for intensive retail usage, the Lane/5000 features a durable signature - capacitive screen, heavy-duty magstripe and smartcard readers optimized for transaction speed, and a multipoint connector for easy integration.

With its optional camera, the Lane/5000 enables alternative payment schemes and unlimited possibilities for business Apps.

# Seamless NFC payment experience

**Built-in data capture capabilities** 

The Lane/5000 makes NFC acceptance easy. Its dedicated and visible reader zone is enhanced with smooth backlit glass. This ergonomic reader offers consumers a seamless experience while improving retailer efficiency.

# Electronic signature

The Lane/5000 features durable signature capture capabilities for electronic payments, receipt storage and new business applications such as contracts, warranty programs and enrollment.

#### Compatible with Ingenico's suite of services

Keeping the solutions connected, the Lane/5000 works in unison with Ingenico's supporting service platforms, meaning merchants will have access to business services such as estate management reporting. Software updates and day-to-day support deliver a hassle-free experience.

Lane/5000 is supported by our Cloud Services
